Culturally Responsive Early
Learning and Child Care

Register for this two-part “train the trainer” opportunity, designed by Imagine Institute for Learning in partnership with PolicyWise for Children and Families. Program leaders will explore strategies and concepts from the Spark Guide to enhance your capacity to support your program and educators.

Training Overview:

- The phased approach consists of two sessions (currently available from November 2024- March 2025):
 1. Virtual Introductory Session: A 3-hour online session offered on multiple dates and times for your convenience.
 2. In-Person Session: A full-day training near your location, with over 20 dates and venues across the province, plus virtual options for accessibility.
- Funding Support: Programs are eligible for release time funding for the hours dedicated to this training.

Training Goals:

- Train the Trainer: Build your skills and confidence to effectively adapt and apply what you learn in your program.
- Empowerment: Equip yourself to share knowledge and practical strategies with your staff, support their training, and implement aligned practices.

Please note you must attend both sessions to facilitate this training in your programs.
